

EC - CERTIFICATE OF CONFORMITY

0756 – CPD - 0029

In compliance with the Directive 89/106/EEC of the Council of the European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

MKT Wedge anchor B A4

Torque controlled expansion anchor made of stainless steel of sizes M6, M8, M10, M12, M16 and M20 for use in non-cracked concrete

placed on the market by

MKT Metall-Kunststoff-Technik GmbH & Co. KG
Auf dem Immel 2
D- 67685 Weilerbach

and produced in the factory

MKT, D-67685 Weilerbach

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that an approved body has performed the initial type testing for the relevant properties of the product and that the approved body – Institut für Massivbau – , has performed the initial inspection of the factory and the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of conformity and the performances described in the

European Technical Approval ETA – 05/0018

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 10.02.2005 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control (FPC) itself are not modified significantly, and latest on the expiration of the ETA on 28.01.2015.
