**CERTIFICATE OF FACTORY
PRODUCTION CONTROL**

0756 – CPD - 0606

In compliance with the Directive 89/106/EEC of the Council of the European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

MKT Injection System VMU plus for masonry
Injection system for use in masonry

placed on the market by

MKT
Metall-Kunststoff-Technik GmbH & Co. KG
Auf dem Immel 2
67685 Weilerbach
DEUTSCHLAND

and produced in the factory

Werk 2, D

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body – Institut für Massivbau – , has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control. This certificate attests that all provisions concerning the attestation of factory production control described in

European Technical Approval ETA – 13/0909

were applied.

This certificate was first issued on 28.06.2013 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control (FPC) itself are not modified significantly, and latest on the expiration of the ETA on 27.06.2018.

Darmstadt, 28.06.2013
